

The Boeing Internship Program for 2025 offers an exceptional opportunity for students to immerse themselves in the aerospace industry, working alongside seasoned professionals at one of the world's leading aerospace companies. This program is designed to provide hands-on experience, foster professional growth, and pave the way for future careers in aerospace.

Eligibility Criteria

To qualify for the 2025 Boeing Internship, applicants must meet the following requirements:

- **Academic Standing:** Applicants must be current juniors
- **Citizenship:** Due to U.S. Government regulations, candidates must be U.S. Citizens.
- **Availability:** Candidates must be available to work full-time during the summer of 2025.

Application Process

To begin the application process, interested students should join the dedicated Google Classroom using the following link:

<https://classroom.google.com/c/NzUzOTA2MzUzNTg3?cjc=anjfl45>

This platform will provide all necessary information, updates, and resources related to the internship.

Important Dates

- **Application Opens:** Tuesday, February 25, 2025
- **Mandatory Meeting:** Friday, February 28, 2025, during lunch

The mandatory meeting will feature former interns who will share their experiences, offer insights into the application process, and discuss the expectations and requirements of the internship. Attendance is crucial for prospective applicants to gain valuable information and guidance.

Why Apply?

Participating in the Boeing Internship Program allows students to:

- **Gain Practical Experience:** Engage in real-world projects that contribute to the advancement of aerospace technology.
- **Professional Development:** Enhance skills through mentorship, networking events, and development seminars.

Don't miss this chance to learn from a Boeing mentor. Join the Google Classroom today and take the first step toward paving your way to a career in the STEM field. We look forward to seeing you at the meeting on February 28!
