

# **School-Issued Wi-Fi Hotspot Returns Required**

**If your student checked out a Wi-Fi Hotspot during the 2019-2020 or 2020-2021 school year and no longer needs it, please make sure that the hotspot is returned to SHHS as soon as possible.**

**If your student is still using the hotspot for school, they may keep it through the end of the school year. If your student will be taking classes during summer school and will still need the hotspot to complete summer coursework, they may keep it through the end of the summer school session.**

**All Wi-Fi hotspots were checked out under the student's school account and may show up as a fee/fine on their school account until returned. This may place a graduation hold on the check-out process at the end of the year for seniors, so it is important that seniors return hotspots.**

**Wi-Fi hotspots should be returned to the library or main office (room 4). If you have any questions regarding hotspot returns, please give us a call.**
