

## A Message from the Principal

Dear Lancer Parents and Students,

We are so excited about the 2022/23 school year. The school year begins on **Monday, August 15, 2022**. With the support of so many wonderful families, we have all of the pieces in place to complete our mission of providing a world class education for every student every day. Sunny Hills High School is a place for your students to challenge themselves, take risks, try new things, and grow. Each family and student brings unique qualities, talents and strengths to build on the rich tradition of Lancer pride.

Working together, there are no limits to what our students can accomplish. I wish you all an amazing school year.

## FJUHSD Insurance for Chromebooks Facts

**Sunny Hills High School** is pleased to announce the Fullerton Joint Unified School District School Board and Cabinet have approved the distribution of Chromebooks for each student. This Chromebook will be issued to your child for their use at school and home. We are excited to make this powerful tool available to our students. We also understand both students and parents are naturally concerned about keeping these tools secure and in good working order.

Like textbooks, team uniforms and other school property issued to your child, there is a responsibility to take appropriate care of these valuable resources. The Chromebook is no different, but it does represent a cost to the district and consequent liability to students and parents. We have a warranty in place to cover the Chromebooks covered for manufacturing defects, but we know loss and accidents may also happen, even when students take good care of the device. In these instances, district policies, state regulations and practices require a fine be levied to cover the repair or replacement cost of district property. With Chromebooks, the cost of loss or damage is lower than many other technology tools, but it can still be significant.

In response, the district has developed a **voluntary** FJUHSD insurance Program for Chromebooks. The FJUHSD Insurance Program for Chromebooks works as follows:

- Prior to Chromebook distribution, parents make a payment of **\$25.00** to enroll in FJUHSD insurance for the current school year. The payment is reduced to **\$10** if a student qualifies for free lunch.
- In the event a student's Chromebook is accidentally damaged, the normal fine for repair costs (typically between **\$30.00** and the full **\$350** value of the Chromebook) will be waived, and the Chromebook will be repaired at no cost to the family (the number of covered repairs per year is capped at two). Willful damage will still result in a fine. Damage assessment will be at the sole discretion of the district.
- In the event a Chromebook is lost or stolen, the normal fine for full replacement value of **\$350.00** will be reduced to a **\$40.00** deductible. Upon payment of this fine (or creation of an approved payment plan), the student will be issued a replacement Chromebook. However, the parent will not be eligible to enroll in FJUHSD insurance for a second time in the same school year and will be financially responsible for replacement or repair costs associated with this second Chromebook. **If the Chromebook is stolen off-campus, file a police report within 24 hours and bring a copy to school**
- If the lost or stolen Chromebook is recovered in good working condition, the fine will be refunded.
- Families who choose to enroll and have more than two children receiving Chromebooks will only be required to pay for a maximum of two FJUHSD insurance enrollments to cover all devices per school year.
- **Exclusions** - The charger, protective case and any other peripherals issued with the Chromebook are NOT covered by the FJUHSD insurance program. If these items are lost or damaged, a fine will be issued for replacement cost. An equivalent replacement item may be accepted in lieu of the fine at the sole discretion of Fullerton Joint Union High School District representatives.
- If a family leaves the District, but does not return the Chromebook, they will be fined for the full replacement costs, and standard rules for the restriction of records and transcripts would apply. Law enforcement may be involved for the purpose of recovering district property.

**If you choose not to enroll in the FJUHSD Insurance Program, you will be financially responsible for the full cost for repair or replacement of the Chromebook.**

**FJUHSD Voluntary Insurance for Chromebooks Enrollment Form**

**In order for your child to receive a Chromebook, you must either sign-up for the program or decline participation in the insurance program. Please make your selection here:**

- Yes, I would like to participate in the FJUHSD insurance Program for Chromebooks. I understand this is a voluntary program which will reduce the fines and replacement cost that I may be subject to if the Chromebook on loan to my student is damaged, lost or stolen.
- No, I decline participation in the FJUHSD insurance Program for Chromebooks. I understand I will be financially responsible for all fines or the full replacement cost associated with the loss or damage of the Chromebook while checked out to my child.

**PAYMENT SELECTION:**

The standard payment to enroll in FJUHSD insurance program is \$25.00 per school year for each child in a household. This amount is reduced for students on free/reduced lunch or for larger families. Please select the payment amount below. Your receipt is proof of insurance, and will be required to file a claim. Please make checks payable to **the FJUHSD**:

(Check to School or Credit Card Online)
