***We are giving six $2,500 scholarships to high school seniors for trade schools and colleges. We are requesting the case workers have their kids apply from October 1, 2019 thru January 31, 2020 before their 18th birthday. We feel education is key and we want to help them succeed in life. > Fall 2019
> DFS and DJJS Case Workers,
> I am writing to you on behalf of the Children's Service Guild Scholarship Committee. Children's Service Guild is a 501c3 charity organization located on the campus of Child Haven in Beazer Cottage. We are celebrating our 50th year of service to children under the age of 18 affected by the Clark County Family and Juvenile Justice courts of Southern Nevada.

We are reaching out to you to inform you, the children and their parents that you work with, about our scholarship program. We are offering six (6) $2,500 scholarships for high school seniors who are going to attend a trade school or college. They must apply before their 18th birthday!! Applications can be filled out on-line starting October 1, 2019 thru January 31, 2020 with the Public Education Foundation Scholarship program.

To find the scholarship information and application go online to https://thepef.org/scholarships and locate the Children's Service Guild Scholarship. Requirements are that you are a senior in a public or private school in Clark County, Nevada. The student must have overcome personal challenge(s) and been touched by the court system (Department of Family Services and Department of Juvenile Justice Services). Applicants must plan to attend a trade school or college upon graduation from high school, have at least a 2.0 unweighted GPA and submit the application prior to their 18th birthday. They also must have two letters of recommendation. One letter needs to be from someone involved with family and juvenile justice and the other a non-family member.

If you have any questions, please feel free to contact me. Hoping that you know some hardworking teens that meet these criteria and would like a helping hand with continuing their education. We want them to succeed in life by giving them a good start!
