

Independent Living Update!

Youth will have the opportunity to meet with legislators on March 11 to discuss issues important to them in Carson City. First they will fly to Reno and receive training on how to advocate to legislators on March 10. There are 6 FAAYT (Foster and Adoptive Youth Together) officers and youth who will be traveling and participating in Children's Week at the Legislature with Dashun Jackson and Tristan Torres.

Tuesday afternoons are busy days for Independent Living! FAAYT meetings are hosted at UNLV and thinkLaw classes, held at various locations, take place every other Tuesday. Please have your youth contact their respective IL worker if they are interested in being involved or want to learn more.

Independent Living activities offer many benefits for youth, including learning team building and trust, leadership skills, communication and advocacy, positive social connections and outreach for other foster youth and the community.
