

Tutoring and Educational Resources Available for Children

As we are aware that many of our families and children are struggling with school during distance/hybrid learning, DFS has compiled the following list of some free/low cost educational and tutoring resources available in the community. ***Before contacting the resources below, please contact your children's DFS Representatives to discuss any concerns/challenges your family/children are having so that we may recommend the best supports for you.***

Program	Description	Link/Contact Information
Library In Branch Tutoring/Homework Help	The Las Vegas-Clark County Library District Foundation provides in-person tutoring for students in grades K-12 by UNLV students/Teachers and also provides Homework Helps Centers. <i>Schedules and services vary by branch so please call your local branch to confirm times and availability.</i>	https://lvccl.org/special-services/
