

## Scholarships for the NACAC Conference!

We are excited to announce that the North American Council on Adoptable Children (NACAC) is able to offer a limited number of scholarships for Nevada adoptive, foster, and kinship parents to register for NACAC's three-day adoption and foster care conference from Thursday, July 18 to Saturday, July 20 at the Planet Hollywood Resort and Casino in Las Vegas.

For only \$50 per person (reduced from \$380), adoptive parents, foster parents, and kinship caregivers who are Nevada residents can attend this event featuring more than 80 workshops from national experts on topics such as the effects of trauma, parenting techniques, core issues of adoption, issues of race and diversity, and much more!

For those who live more than 50 miles away from Las Vegas, a limited number of scholarships also include three nights of hotel as long as you share a room with another scholarship recipient. (If you prefer, you can pay half the room rate, which will be about \$80 to \$95 per night plus taxes and fees.)

Please note that scholarships are available to only one member of a couple, but the other person can register at half price (\$190). A couple seeking a hotel would pay half of the rooming costs (amounts noted above).

Titled *Exploring Solutions in Adoption and Foster Care*, the NACAC 45<sup>th</sup> annual conference is the most comprehensive adoption/foster care conference in North America. For more information about the workshops or the conference, visit <https://www.nacac.org/gettraining/conference/>.

The scholarships, made possible due to sponsorship from the Walter S. Johnson Foundation and Centene Corporation, are available on a first-come, first-served basis and do not cover travel or other expenses other than as noted above. The full-day pre-conference session on Wednesday, July 17 has a separate fee of \$125 per person and is not included in the scholarship. If you do want to attend the pre-conference session and need a hotel room the night before, you would be responsible for that night's hotel room cost.
