

The kids are back in school and cooler weather is just around the corner. Yippee!

This past summer we worked really hard for them as always, for they are very near and dear to our hearts.

Here are a few things we did:

**\*\***We sponsored 25 Foster kids to go to Potosi Pines Camp for a week for lots of fun and fellowship. We also sponsored 30 more kids to go to Camp to Belong which is a summer camp that brings siblings who have been separated by the Family court together for a week of fun and family time! For this camp we sew pillow cases together for the siblings to write heartfelt messages to their brothers and sisters to cherish and take with them at the end of the week. It is so important for these children to have some normalcy in their lives and it is one of the many important goals we have for them and all the ones touched by the Family and Juvenile Justice courts of Southern Nevada.

**\*\***The 58 members of the Gymnastic Danish Performance Team from Vejstrup, Denmark and their coaches came to Child Haven on July 9, 2019 and they were great! They worked with the kids for an hour teaching them exercising, tumbling and gymnastics, the kids had a ball! Then they performed their routine for all of us and they are quite amazing! We, the Guild, gave them a cash donation and lunch. We look forward to seeing them again!

**\*\***August 2, 2019, Spring Mountain Youth Camp had their Forestry Picnic for the 52 youth who with their crew leaders and U.S. Forest Service staff who maintain the recreational trails throughout the Spring Mountain National Recreation Area. We help this program immensely and are very proud of the boys and their accomplishments!

We are back in full swing after a little break during July. Even though we didn't meet at our workshop, a lot of work was being done for our fantastic Holiday Craft Boutique and Raffle at home by all our members. Our amazing event is Saturday, November 2, 2019 9am - 3pm at the Elks Lodge, 4100 W. Charleston Blvd, Las Vegas 89102. Please come and help us help the children as 100% of proceeds and donations go to them and their various needs. Also please like us on Facebook: Children's Service Guild of Southern Nevada and check out our website: [childrensserviceguild.com](http://childrensserviceguild.com). and tell your friends and family about us! Thank you and God bless.
