

Important Educational Updates from CCFS
August 2026

Welcome to the 2026-2027 School Year!
We wish you and your children all the best in the first month of school.
Do not hesitate to reach out to your CCFS Caseworker
for any school-related assistance or questions you have!

Important Dates to Know

- ***Monday August 10th – Classes Begin***
- *It is a great idea to look at the school year calendar of your child's school district and school at the beginning of the school year to plan for any vacations, school related activities you may want to attend, and appointments you may want to make when school is out. This way you can take time off of work and find childcare if needed.*
    - *You can visit CCSD's 2026-2027 school year calendar by clicking here* to see school district days off. *You should also visit your child's school website for school related activities and meetings. You can search for your child's CCSD school website by clicking here.*
    - *For non-CCSD Schools, please visit your child's school website.*

Work with Your Child's Caseworker to Register Your Child for the 2026-2027 School Year (even if Your Child Attended the School Last Year)

- ***Every child attending school must be registered for updated registration information even if they have already been attending school***
- ***It is assumed the child will be attending the school they are at last year. If you think your child needs to attend a different school, please contact your child's Caseworker before un-enrolling/enrolling your child as CCFS must make the final decision on where the child goes to school based on what is in the child's best interest. You must have CCFS's permission to un-enroll/enroll a child in school.***
- *To register children new to CCSD, visit register.ccsd.net.*
- *To register children who are currently enrolled in CCSD, click this link Campus Portal Login (ccsd.net) or visit campusportal.ccsd.net. Login under the Campus Parent link.*
    - *To set up a Parental Portal Account, please contact your child's school*
- For general information about CCSD registration, visit Student Registration Information | Clark County School District or visit/call your child's school and ask to speak with the School Registrar or Clerk.

- ***To register children not attending CCSD, please contact your child's school to make sure your child is registered for school.***

Ensure your Children's Schools have Your Contact Information Correct and that You have an Infinite Campus Parent Account

- By now you should have heard from your children's schools and your child's school district with back-to-school information, transportation information (if you requested it and your child is eligible), and how to access your child's schedule via email and other methods of communication
- ***If you have not heard from your children's schools or the school district by now, please call the school's registrar/clerk offices and provide your current address, email, and phone number. You may be asked for ID and proof of custody such as a Placement Notification Letter.***
- Infinite Campus is the CCSD's official Student Information System, electronic grade book, and parent/guardian and student portal.
- ***Please sign up for or ensure you have the Infinite Campus Parent Account and any other information systems account the school uses (such as Canvas or Clever) to monitor your children's grades, attendance, schedule, and other information in real time.*** A mobile app is also available for any Apple or Android device.
- *If you do not have an Infinite Campus Parent account and/or want to access any other electronic platform parents can view to see their child's grades, please contact your children's school Infinite Campus or IT liaison and ask for all parent accounts the school uses. For children enrolled in CCSD, you may also email portalsupport@nv.ccsd.net, or call the Portal Help Desk at 702-799-PORT (7678), Monday-Friday, 6:00 a.m.-5:00 p.m. PST.*

Contact Your Child's Foster Care Advocate and School Counselor if Your Child Failed a Summer School or any High School Level Class During the 25-26 School Year

- Special laws in Nevada require that public and charter high schools maximize the credits and progress towards graduation for their students in foster care
- Students in foster care and enrolled in High School credit classes in High School or Middle School may receive full or partial credits for a specific course without having to meet the attendance/hours in the classroom requirements for the course by completing alternative work
- ***If your child received an F in a high school class last semester but completed some work for it or attended the class even for part of the time, let your child's Education Decision Maker know your child got an F and together you can email your Child's School Foster Care Advocate and Child's Counselor to see if your child might be able to receive partial credit for the class***
- School staff's email addresses are available through school websites or by calling the school asking the office staff
- *If you have any issue with the above, contact CCSD's Foster Care Department for all CCSD Schools at 702-799-1196 and fostercaretransrequest@nv.ccsd.net and the Foster Care Liaison at your child's school*

CCSD Offering Pre-Kindergarten and Accepting Enrollment Throughout the 2026-27 School Year

- The Clark County School District (CCSD) is accepting enrollment requests for Pre-Kindergarten (Pre-K) programs for the 2025–2026 school year throughout the year as space is available. The District offers more than 12,000 free Pre-K seats in over 600 Early Childhood programs. Data has shown that early childhood programs can make a significant difference in the educational success for children who attend them!
- Children in Foster have priority to attend Pre-K Programs as space is and becomes available
- CCSD families need to complete the Pre-K Interest Form to have their student placed on the interest and/or waitlist.
- All students must meet the following requirements to be considered for Pre-K programs:
    - Student must be three years old before August 1, 2026.
    - Student cannot be eligible for Kindergarten enrollment.
    - Parent/guardian must transport student to and from school.
- Most CCSD Pre-K programs are half-day but some are full-day programs.
- If a child is selected for a Pre-K Program, students will be offered an available Pre-K seat at their zoned school if the school has a Pre-K Program with a space available or at school closest to their home with a seat available.
- If space is not available close to the child's home, they may be placed on a waitlist or provided the opportunity to take a Pre-K spot further from the home. Seats will be provided on a space available basis.
- *If you are interested in having your child attend a Pre-K program, contact your child's Caseworker to help you register your child.*

Resource of the Month: CCSD's Let's Talk Webpage

- ***CCSD has launched its Let's Talk webpage which allows parents/community members to submit their questions to CCSD. The person/department who can answer the questions will contact the parent/community parent back.***
- *Click here to access CCSD's Let's Talk Webpage*

We at CCFS thank you for all you are doing to help your child succeed!

Please contact your CCFS Caseworker for any support you need.
