DEPARTMENT OF
FAMILY SERVICES
CLARK COUNTY

Foster parents are required to complete 12 hours of training annually.

Foster parents that will be having their first annual inspection, since their licensure, are to complete the following four (4) trainings found on the QPI website www.qpinevada.org:

- The Development Web: A Perspective on Learning and Behavior Problems
- Effective Discipline in Developmental Stages
- Trauma and the Impact on Children in Foster Care Part 1 and Part 2

Foster parents that have completed these required trainings in previous years, must complete 12 hours of specific classes within their license parameter. For example, if you are licensed for teenagers, please choose trainings relating to parenting teens. Your licensing representative may also recommend specific classes pertaining to your family's needs.

New Federal guidelines require all foster parents to update the "Emergency Preparedness" form annually, which includes an in state and out of state emergency contact.

Pediatric CPR and Car Seat Safety Training are also required to be completed in person by all foster parents. CPR is required to be completed every other year and Car Seat Safety Training is required to be completed every 3 years. Training dates can be viewed on the QPI website www.qpinevada.org

To register for these trainings contact the Parenting Project at (702) 455-5295 or by email at DFSParentingProject@clarkcountyNV.gov

If you have questions regarding the trainings you need to complete for your Foster Care License, please call Foster Care Licensing at (702) 455-7400.

Please Note:

Additional training classes may be added that are not listed on this training calendar. Please contact the Parenting Project at (702) 455-5295 or the Quality Parenting Initiative (QPI), Clark County "Just in Time" website at http://www.qpinevada.org/clark/index.shtml for the most current listing of classes.

GUNDERSEN
NATIONAL CHILD PROTECTION TRAINING CENTER

Gundersen National Child Protection Training Center (Gundersen NCPTC) and its programs, Jacob Wetterling Resource Center (JWRC) and Center for Effective Discipline (CED), work to end all forms of child maltreatment through education, training and prevention, while advocating for and serving children, adult survivors and communities.

Gundersen NCPTC prepares current and future child protection professionals to recognize and report the abuse of children. As leaders in the field since 2003, more than 100,000 child protection professionals have been trained in all 50 states and 17 countries on topics pertaining to child abuse investigations, prosecutions and prevention.

National Children's Advocacy Center

Phone: 256-533-5437

The NCAC's National Training Center (NTC) offers a wide range of online training opportunities for child abuse professionals. The NTC's online training includes live and archived Webinars and Ask the Expert sessions, and our recorded Online Training Courses (available at no charge).

Free! Online Training courses are recorded training sessions synched with a PowerPoint Presentation. With 30 courses to choose from, these sessions feature some of the most respected names in the field as its faculty. These online training courses range in length from 1 hour to 3 ½ hours.

Free! Webinars – The NTC offers live webinars on child maltreatment topics created and presented by subject matter experts. Each webinar includes a question and answer period at the end of the presentation. Webinars feature topics that support the adoption of evidence-based practices. Sessions last about one hour. Live webinars are recorded and archived on our website so anyone can access them later at their convenience.

Free! *Ask the Expert* - Our *Ask the Expert* sessions allows participants to submit questions in advance to top experts in the field. An extended question and answer period is also included, allowing discussion of important current issues with experienced child maltreatment professionals. Sessions last about one hour. Live *Ask the Expert* sessions are recorded and archived on our website so anyone can access them later at their convenience.
