CPR TRAINING TWO-PART PROCESS

CPR Society conducts CPR Training in a two-part format, which includes an online training and an in-person “hands-on” training component. There is no fee for Caregivers and DFS Staff.

Part 1: Online CPR Training

- The online CPR video training must be completed prior to attending Part 2 of the CPR Training. A Spanish edition of online CPR Training is available upon request by calling or texting CPR Society at (888) 860-3031.
- Upon completion of the website registration, the participant will be emailed the course materials and online training video(s) to review before taking the Part 2 in-person session
- The participant will receive their CPR Society Course Voucher from the designated Resource Development and Support Unit Staff
- The CPR Society Course Voucher contains pertinent registration information, including the CPR Training registration link
- The CPR Society Course Voucher is only permitted for use by authorized DFS Staff and Caregivers. A photo ID will be required at the office

Part 2: In-Person “Hands-on” CPR Training

- The dates/times for Part 2 in-person CPR Training, are listed on the CPR Society website
- If you have questions or need assistance, please call or text CPR Society at: (888) 860-3031, or contact your assigned Resource and Development Specialist

CAR SEAT TRAINING TWO-PART PROCESS

Buckle Up Every Age, Every Seat, Every Trip

Car Seat Training is conducted in a two-part process, which includes completing an Online Training Session (Part 1) and an in-person Car Seat Installation Session (Part 2).

Part 1: Online Training

The online “Child Passenger Safety Training” is located on the “QPI Just in Time Training Website”.

<http://centervideo.forest.usf.edu/video/jit/florida/safeseat/start.html>

The Part 1 online training must be completed, prior to registering for Part 2 of the training. Upon the completion of the online training, an online quiz will be generated which requires a score of 80% or higher to pass.

Part 2: Car Seat Installation

Upon completion of the online training (Part 1), contact the Parenting Project at 702-455-5295, or by email at DFSParentingProject@ClarkCountyNV.gov to register for the in-person, Car Seat Installation Session (Part 2). The Parenting Project hours are Monday-Thursday, 7am-5pm.

If you have questions or need assistance, please contact your assigned Resource and Development Specialist or the DFS Training Team at dfstrainingteam@ClarkCountyNV.gov

Call 702-455-5295 to register

Can't attend? Call for a 1-1 session.

Have teenagers? Call us about our Teen Triple P program.

Office hours: Monday-Thursday 7:00am-5:00pm

Offered in partnership with the DFS Resource Development & Support Unit and the Parenting Project

The Nevada Quality Parenting Initiative Presents:

Just in Time Trainings

Online Trainings for Foster Parents and Caregivers

Nevada's Just InTime Training is a web based service program designed to connect foster parents, kinship or other caregivers with training, peer experts and other resources. Questions are answered and practical solutions to care for children are discussed – all from the comfort of your home or office.

Check out the various training classes today! Additional classes are added regularly.

<http://www.qpinevada.org/index.html>

Step 1: Take the education portion online @ FosterKinship.org

Step 2: We'll call you to schedule your in-person test with us!

DFS Training Calendar July – September 2022 Edition

Foster Kinship's childcare program is uniquely designed to promote the social-emotional development of vulnerable children who have experienced trauma, abuse, and neglect. By intervening for children and youth at critical stages of development, we support their health and wellness, enabling them to thrive.

HEALTHY SAFE THRIVING

Childcare Program
702-546-9988

RESPIRE & CHILD CARE

The Foster Kinship Respite care program has become more than just an opportunity for our caregivers to take some time for themselves. Children have opportunities to socialize in a safe environment. We preserve family in the home, at times when caregivers have become overwhelmed or frustrated. Our trauma-informed childcare team provides free respite care, social groups, and school-break camps for up to four hours at a time.

We also provide free childcare during required caregiver classes in order to eliminate barriers to kinship licensing and support the needs of each family individually.

For families who have concerns about the behavior of the child in their home, we offer free consultations with our behavioral specialists who assist in identifying resources in the community based on the child needs, as well as training on trauma-informed parenting techniques.

We also provide community support and navigational resources for children with Autism and FASD. This would include support toward locating clinic interventions, assessments and diagnostics, listings of ABA providers, and connecting families with programs for case management, along with information on local family support groups.

BEHAVIORAL CONSULTATIONS

YOUTH SUPPORT GROUPS

Through social groups and structured activities, we discuss coping mechanisms, critical thinking skills, problem-solving through language, and communication.

Groups are facilitated by young adult professionals who have spent time in kinship and/or foster care as children, enabling trust between the group and inspiring youth in difficult places to see what is possible.

Groups are free and serve children aged 12-18.

"At a time when social development is hindered by a global pandemic, it is most important to focus on the mental health of vulnerable children and ensure they have the ability to express feelings in productive, healthy ways. We invite you to partner with us to help children thrive!" - Nadine Garcia, Childcare Program Manager

CAR SEAT TRAINING FOR KINSHIP CAREGIVERS

- Learn about best practices to keep your child riding safely in your vehicle
- How to select an appropriate child restraint seat
- Considerations for where seats can be placed
- How to install car seats & proper harnessing

July – September 2022 Edition

The Kinship Navigator Program is designed to increase kinship caregivers' capacity to provide safe, stable, and nurturing homes for children.

Our services address the immediate needs of kinship children, work towards the most permanent legal status for the family, ensure families receive financial support, and increase the quality of parenting kinship caregivers provide.

SAFE
STABLE
NURTURING

Navigator Program
702-546-9988

INFO & REFERRAL

The Navigator Program is a starting point for anyone who has questions about parenting a relative's child in Nevada. Kinship families may call during our open office hours to consult on questions relating to kinship care in Nevada including, kinship foster care, guardianship, child-only TANF, resources, and more. Professional family advocates staff the offices and phones.

Each service is designed to connect kinship families to networks of social support, provide basic needs, and increase baseline resources by ensuring understanding of and access to available help.

Support groups are a safe place to discuss the joys and challenges of raising a relative's child where you can laugh, cry, and lean on and learn from others who are walking in your shoes. Support groups also include sharing of best practices and resources for kinship caregivers. Our groups are confidential and non-judgmental.

Groups are offered five times a month with online and Spanish options available. Some groups include meals and childcare. Groups provide an hour of relicensing training credit for licensed foster kinship caregivers.

SUPPORT

CASE MANAGEMENT

Foster Kinship's Case Management Program is a comprehensive support program for kinship caregivers in Nevada designed to increase the stability and well-being of the kinship family.

Our kinship resource center has limited emergency resources such as diapers/wipes, car seats, clothing, books, toys, and formula.

Our program accepts clients on an ongoing basis. Each qualified family receives a customized case plan with community referrals, assistance with child-only TANF and guardianship applications, transportation, some financial assistance, and access to the kinship resource center.

"The goal of many organizations is to support family where they are, but how we do that is different. Foster Kinship really knows what kinship caregivers need and can put in specialized resources for them while breaking down barriers." - Leah Dods, Director of Caregiver Programs

DFS Training Calendar July – September 2022 Edition

The Foster, Adoptive and Kinship Family Association of Southern Nevada

Foster Change works to empower all foster, adoptive and kinship families in Southern Nevada through training, resources, advocacy and support.

Caring for a child is one of the most important things a person can do. Caring for a child that is not your own requires a special kind of commitment. There are many children in Southern Nevada who are unable to remain in their homes.

Families who open their homes and hearts to these children are committed to improving their lives and future. **Foster Change** is committed to these families - walking together to create a healthy environment where children can thrive.

BENEFITS OF MEMBERSHIP:

FREE TRAINING:

Foster Change offers free training to members. Some training credits can be used towards relicensing hours.

- CPR/First Aid/AED Training for Foster Parents
- Car Seat Safety Training for Foster Parents
- QPI training help- accessibility to use the computer lab and study guides

CONNECTIONS TO COMMUNITY:

- Foster Change sponsored Support Groups
- Sponsored Park Playdates - annually in May
- Foster Change Sponsored Family Events
- Access to specific DFS events for ALL children in your home, not just those with an open case
- Connection through active Social Media pages
- Access to our Members Only Facebook Support Community Page

RESOURCES:

- 4 Free Hours of Respite Care, Monthly, by trauma informed caregivers
- Use of our Members Only Lending Library
- Foster Change Member's ONLY Access to Marcie's Heart Emergency Resource Center
- Telephone and Social Media monitored Helpline
- Monthly Member's Only Newsletter
- Access to expert advice from all of our Board of Directors - On behalf of Kinship, CASA, Raise The Future, Fostering Hope and Foster Connect!

COMMON VOICE FOR LEGISLATIVE & ADMINISTRATIVE POLICY:

- REPRESENTATION MATTERS - Coming together to create one voice will be a powerful tool in our community and state for representation on behalf of foster care, foster parenting and adoption regulations, guidelines, legislation AS they are being discussed.
- Help Understanding child welfare trends
- Expert analysis and overviews of pending legislation

safeTALK

suicide alertness for everyone

ASIST

Applied Suicide Intervention Skills Training

Applied Suicide Intervention Skills Training (ASIST) is designed to provide caregivers the skills to become more willing, ready, and able to help persons at risk of suicide. In this 2-day work shop, we will provide you the tools to intervene with someone with thoughts of suicide. You will learn to be Alert, how to Assess the Risk and develop a safe plan.

Why should I come to safeTALK (Suicide Alertness for Everyone)?

In only 3.5 hours, you will learn how to provide practical help to persons with thoughts of suicide. Expect to leave safeTALK more willing and able to perform an important Suicide Alert helping role for persons with thoughts of suicide.

Youth Mental Health First Aid

In this one-day course you will learn.....

The risk factors and warning signs of a variety of mental health challenges common among adolescents, including anxiety, depression, psychosis, eating disorders, AD/HD, disruptive behavior disorders, and substance use disorder.

All these training and more can be scheduled at

<https://nvsuicideprevention.org/events/month/?tribe-bar-search=training>

If you are a Foster Parent and would like to attend any of these trainings Call OSP at 702-486-8225 for a grant funded seat!

Trust-Based Relational Intervention® at Raise the Future

is an evidence-based parenting and intervention model developed by Dr. Karyn Purvis and Dr. David Cross at the Karyn Purvis Institute of Child Development at Texas Christian University.

Trust-based Relational Intervention® (TBRI®) is an attachment-based, trauma-informed intervention that is designed to meet the complex needs of vulnerable children.

This family-based intervention is designed for children who have experienced relationship-based traumas such as institutionalization, multiple foster placements, maltreatment, abuse, and/or neglect.

Families caring for children from hard places often experience challenges addressing the resulting behaviors and understanding the complex needs of their children.

Raise the Future is here to help! Our Family Support Services Program provides TBRI® Caregiver training for *Adoptive, Kinship, Reunified Biological Families and Foster Families*.

TBRI® classes count toward Foster Relicensing hours.

TBRI® classes are approved for up to 24 Continuing Education Units for Nevada Social Work Board.

In partnership with the Clark County Department of Family Services,
the classes are **free** to all Clark County, Nevada residents.

Please reach out to our Family Support team today: nvfamilysupport@raisethefuture.org

This publication (ad, material, etc) is supported by NV Division of Child & Family Services (Can be shortened to NVDCFS) through the IV-B Grant. Its contents are solely the responsibility of the authors & do not necessarily represent the official views of the awarding agencies.

Baby's Bounty is proud to partner with NV DWSS for a very special diaper distribution for TANF recipients.

If you are a current TANF recipient, please register by clicking the button below. If not, please register for one of our other diaper banks.

Feel free to email TANF@babysbounty.org with any questions or concerns

***By pre-registering for a diaper bundle, the registrant is certifying that:**

1. They are either the head of household, parent of a child, relative caregiver, or fictive kin in the active TANF household -OR- the authorized representative as documented on the TANF case; and
2. Those pre-registered are an active TANF child recipient between the ages of 0-5, or a TANF recipient at least six months pregnant on the active TANF case; and
3. Have not received and agree they will not accept more than one PEAFF diaper bundle per eligible child or unborn child of the pregnant mother; and
4. Understand that pre-registering does not confirm eligibility for the diaper bundle. Eligibility will be verified between the Agency (Subrecipient) and the Division of Welfare and Supportive Services (Division). The pre-registrant will be notified of the final eligibility determination and location of pickup if applicable.
5. By submitting the pre-registration form, the registrant is giving express consent for the Agency (Subrecipient) to share all information provided with the Nevada Division of Welfare and Supportive Services (Subrecipient) for the purposes of verifying eligibility to receive a PEAFF diaper bundle and for coordination of services
