

Count Me In! for Advanced Foster Care

What is Advanced Foster Care?

An enhanced program which provides specialized care for children who require additional services and support. They need your commitment, your expertise and your unique parenting skills.

Resources for AFC Caregivers

- Weekly, in-home coaching that caters to *your* needs
- Access to clinical support and specialized resources
- Peer network support
- Specialized training
- Additional financial compensation

Who are the Children in Need?

- Those with trauma reactivity
- Those with emotional or behavioral challenges
- Those in need of placement stability
- Those between the ages of 5-17

You Have What it Takes!

As a foster parent, you have what it takes. You're patient. You've got thick skin. You understand some of these children are working through some challenging circumstances. You don't judge. You empathize. You roll with the ups and downs to provide a stable, loving and nurturing environment for children in care.
