For over 56 years, we have dedicated ourselves to bringing love and hope to children in the Clark County Family Court system. The members of The Children's Service Guild of Southern Nevada have spent countless hours and collected generous donations to support these children, ensuring we are always there when they need us most. Our ongoing mission is to help these children thrive and look forward to a brighter future, and we remain committed to serving them with care and compassion.

This spring, we hosted our 10th Annual Easter Party for Child Haven on March 28, 2026. The event took place on campus and featured an egg hunt, photos with our cheerful Easter Bunny, Melonie, and plenty of goodies and bubbles for the children. The smiles and laughter made it a memorable day for everyone involved.

Just days later, on April 3, 2026, we attended the DFS Spring Egg Hunt & Caregiver Resource Fair in Southern Nevada. At this festive gathering, foster children enjoyed an exciting egg hunt, danced with Super Heroes, and each received an Easter basket. Our organization proudly funded items from Fun Express, as well as providing balloon artists, face painters, and life-size dinosaurs, creating a magical experience for all. These events brought joy and a sense of community to the children and their caregivers.

Following these spring celebrations, we had a booth at St. Jude's Ranch for Children's 10th Annual National Sibling Day on April 18, 2026, in Southern Nevada. We presented a check to them to send more than 40 children to Camp to Belong this summer, which we've done for many years. This camp provides siblings separated by foster care with a week of fun together, allowing them to reconnect and create cherished memories. Additionally, we made 80 pillows for the campers to sign with heartfelt messages for their siblings at the end of camp. This experience gives siblings precious time together and creates lasting bonds that support their emotional well-being.

To further extend our reach, we encourage supporters to share our mission with friends, family, and neighbors throughout the valley. Whether you're able to contribute time, talents, or resources, there are many ways to get involved and help brighten a child's future. By spreading the word and joining hands with others who believe in the power of community, we can continue to uplift the lives of vulnerable children and foster hope for brighter tomorrows. Together, let's inspire acts of kindness and generosity that ripple through Southern Nevada all year long.
