

# Foster One Recruit One

## Recruitment Program

The Clark County Department of Family Services (DFS) is thrilled to relaunch its **Foster One Recruit One** program... and we need YOU! Amazing foster parents have always been our best recruiters, and that's where you come in.

Are you willing to help spread the word about our need for caring foster families by hosting a recruitment information session at your home? We'll provide the food and drinks. And, you'll select the time and location and invite your family, friends, co-workers and neighbors to learn how they can make a positive difference in a child's life. When you host a recruitment information session or refer a friend to us who is willing to engage in pre-service training, you will serve as a champion for our kids by helping DFS to identify quality families to care for children in foster care.

The basic requirements for hosting a recruitment information session in your home are:

- A minimum of **five people** must be confirmed for the session;
- Attendees must be **at least 21 years of age**;
- Attendees must be residents of Clark County; and
- The host must identify the time and location of the event.

***We can't wait to hear from you! If you are interested in hosting a Foster One Recruit One party, simply contact 702-455-0181 and a recruiter will contact you as quickly as possible. Thank you for your continued support and dedication to our children in care.***
