

NCA Parents and Families,

As we continue to grow NCA Athletics, we are looking for opportunities to partner with businesses in our surrounding community that want to support our student-athletes and the mission of Nazarene Christian Academy.

Attached you will find our 2026–2027 NCA Athletics Sponsorship Opportunities flyer. Before you read any further, I want to make one thing very clear:

We are not sending this out asking our NCA parents and families to give more money.

Our families already invest a great deal into NCA through tuition, athletic fees, uniforms, travel, volunteering, and countless other ways. We greatly appreciate everything you already do.

What we are asking for is your connections.

Many of you know or do business with people outside of our immediate NCA community who own businesses, manage companies, or may be looking for ways to support local students while promoting their business. We would love for you to simply share this flyer with them and introduce them to NCA Athletics.

Maybe it is your employer, a local restaurant, construction company, real estate office, insurance agency, medical or dental practice, auto dealership, small business owner, or someone else you know in the community. A simple, *“Our school has some athletic sponsorship opportunities that might be a good fit for your business,”* can open a door for us.

If you have a business contact but do not feel comfortable making the ask yourself, that is completely fine. Simply email the business name and contact information to the Athletic Department. We will be happy to reach out to them directly and discuss the sponsorship opportunities. You do not have to sell the sponsorship or make the request—we are simply asking you to help us identify potential community partners and open doors where you can.

These sponsorships will help us continue to improve our athletic facilities, purchase equipment and uniforms, invest in our coaches and programs, and provide better opportunities for our student-athletes. More importantly, they allow businesses outside of NCA to partner with us as we work to **Develop Champions for Christ**.

There are several sponsorship levels available, including banners throughout our athletic facilities, our Weight Room Rack sponsorship, and our premier Athletic Title Sponsorship.

There are two simple ways you can help:

1. **Share the attached flyer** with a business owner, employer, or community contact you believe may be interested.
2. **Send us their contact information**, and the Athletic Department will reach out to them on behalf of NCA Athletics.

Our goal is to expand the circle of people investing in NCA Athletics beyond the families who are already faithfully supporting our school. Even one connection from each NCA family could introduce our athletic program to a tremendous number of potential community partners.

Thank you for helping us make those connections and for everything you already do for NCA and our student-athletes.

BE UNCOMMON.
