

## COOKING WINE PRODUCT OFFERINGS

Palmetto Canning is America's premier producer of bulk and bottled cooking wines since acquiring De Vinco Wines in 2023. Celebrating 97 years in business, Palmetto offers safe, quality American-made private label and bulk food ingredients!

An SQF-Certified Manufacturer.

Cooking wines are a **tax-free alternative to beverage-grade wine**. Adding the same nuance of flavors of wine and vodka to your recipes, for less!

All wines are salted between 1.5% - 3.0% salt to ensure compliance with 27 CFR 24.15 as non-beverage wine.
