COOKED & CARAMELIZED ONIONS ASEPTIC PACKED

Tired of the costs and production inefficiencies of IQF and Fresh Onions? We've got a solution for you.

Savings, Convenience & Increased Productivity

Pre-Cooked and Pasteurized - onions are ready to use out of the bag. Saving users time, energy and labor costs.

Reduced Application

Typical application rate of 70-80% compared to IQF or Fresh Onions due to the natural moisture evaporation in the cooking process.

Freight and Storage Savings

Aseptically packed, the onions have reduced micros and allow for ambient storage up to 18-months.

VERSATILITY FOR ALL APPLICATIONS

- Meat Fillings- Lasagna, Empanadas, etc..
- Ready to Eat Meals and Appetizers
- Industrial Baking- Flatbreads, Pizza, etc..
- Sauces, Dressings, Condiments
- Soups & Bases
- Sausages, Meatballs, Burgers
