

Redeemer Anglican Church | Raleigh, NC | Ford Jordan

Please pray for our lease negotiation with Smith Temple Baptist (our new worship space) on Thursday night.

Please pray for a smooth transition into the new worship space at the first of the year - and pray that partnership would be built and that this would be a blessing for our community and for theirs.

Pray for our transition out of Mt Sinai and for our final service together on December 30th.

Please pray that the Lord would send new people to Redeemer.

Pray for encouragement for the church during these transitions.

Christ Our Hope Anglican Church | Wilmington, NC | Curt Solomon

Please pray that our seats would be filled this Christmas season.

That God would sense and know our worship of him.

That people would feel connected to our church family and encouraged in their relationship with the Lord.

Pray that new individuals and families would come and then return after Christmas and get connected.

Pray that we as a church would be a shining light encouraging people in Wilmington toward Jesus.

Pray that the truth of God's love would be proclaimed and heard in our preaching, teaching, music and in the way we love those who come to worship, and those who are impacted even second hand by our church.

That the people of Wilmington would know the breadth and depth of God's love even though this fall has been a huge challenge in our community.
