

Dear Community Member,

Alzheimer's Services is a local nonprofit organization dedicated to providing education and support services to those affected by Alzheimer's. *Our mission is to teach, care for, and connect with those in the community with Alzheimer's or other memory-related impairments.* With nearly 20,000 individuals impacted by the disease in Baton Rouge and the nine surrounding parishes, the organization works diligently to increase access to programs and services that address direct needs such as educational programs, support groups, and respite services.

One of our most successful programs is the Annual Education Conference on Alzheimer's. The next conference will be held on *Wednesday, February 27, 2019 from 8:00 am – 4:45 pm at the Baton Rouge Marriott Hotel*, located at 5500 Hilton Ave, Baton Rouge, LA 70808. We will host a selection of national and local experts on Alzheimer's to impart their knowledge and experience to participants of the conference. We have been hosting this conference for 26 years.

The standard attendance for the conferences ranges from 200-250 family caregivers and healthcare professionals (registered nurses, social workers, speech and occupational therapists, counselors, physicians, nursing facility administrators, and audiologists). However, the conference is open to all who are eager to better understand and provide care for individuals with Alzheimer's and other memory-impairments.

We hope you consider participating in the conference as a sponsor or exhibitor. Please visit our website at www.alzbr.org for more information about the conference, other educational programs, support services, and our award winning activity and respite programs at Charlie's Place in Baton Rouge and Gonzales.

If have any questions or need more information, please contact, Kristi Mellion at 225-334-7494 or coordinator@alzbr.org.

Sincerely,

Kristi Mellion
