

Lanford Mission Emergency Fund

The Mission Emergency Fund was begun at Grace in 1984 to assist residents of Rockbridge County who seek emergency financial support to meet rent, utility, food, medical, or temporary housing expenses. In late 2014 the name of the fund was changed to the Lanford Mission Emergency Fund to recognize Sarah Lanford's long-time service to this ministry.

The emergencies that prompt requests for assistance are usually due to sudden illness, unexpected job loss, loss of health insurance, or other crisis situations. In the majority of cases, RARA (Rockbridge Area Relief Association) does the vetting to verify need and eligibility and then contacts Grace Episcopal along with Lexington Presbyterian and St. Patrick's Roman Catholic churches to share with RARA in the financial support.

Through October 2018, Grace has received 143 requests for assistance, and the MEF has expended \$11,571.40 to meet these requests. The funding for this ministry in 2018 has come from Grace's Easter offering, some pledges, individual gifts, and memorials to Sarah Lanford. As we approach Thanksgiving and reflect on all of the blessings and gifts in our lives, we ask you to consider a donation to the Lanford Mission Emergency Fund to assist those who are less fortunate. To make a gift in the form of a check, the check should be made out to Grace Episcopal Church with Lanford MEF noted on the memo line. The Christian Outreach Committee sincerely thanks you for your continued support of this long-time Grace Episcopal ministry!

The 2019 calendar is now available on the bridge.

If you wish to make a donation (\$65 for flower donations/\$35 for greens during Advent and Lent) in honor/memorial of a loved one, please use the 2019 Flower Chart on the wall of the bridge to sign up.

Parish News for the week of November 18

Welcome to Grace Episcopal Church.

We are glad you are worshipping with us today!

Therefore confess your sins to one another, and pray for one another, so that you may be healed. The prayer of the righteous is powerful and effective.
James 5:16.

Grace Episcopal Call Committee

The Call Committee met on Saturday, November 10, with Karen Salter, our Transition Coach, for our retreat. To begin our discernment process, each of us shared a time when we felt God was at work in our lives. We reviewed the Diocesan Discernment Process and began planning for our next tasks. We are charged with preparing a parish prayer for the call of our next priest. Plans are being developed for a parish meeting after the holidays; the meeting will focus on our call of a new rector.

It is challenging to begin a call process at this time of the year with seasonal holidays and their inherent interruptions. However, we are committed to moving forward with diligence on this lengthy process. Please keep the Call Committee and all of Grace Church in your thoughts and prayers.
