

**Dear ATA and SMMC members,**

After consulting with the ATA and SMMC leadership, I am excited to announce there is a unanimous consensus to roll on with the Alabama Truck Driving Championships on Friday, May 27th on the grounds of the Pelham Civic Complex in Pelham, Ala.

We are planning to host an outstanding event that properly celebrates our industry's most valuable resource: professional truck drivers. To make this event possible, there are obstacles to overcome and we need your help. Here is a list of needs:

**1. DRIVER ENTRIES**

Some large fleets cannot participate this year due to corporate restrictions on travel. These firms usually send about a third of all contestants. We encourage members who can participate to enter at least three drivers -- the more we register, the better the event. The good news is this may be the year for some of you smaller carriers to bring home some hardware! Any driver is eligible to compete if they have been employed continuously by an ATA member firm for the past year and are accident-free from May 28, 2021, to May 27, 2022.

**2. EQUIPMENT**

We desperately need help securing equipment, especially trailers. But we also need tractors and other support equipment, such as power generators, heavy-duty electrical cords, and other supplies. In the coming weeks, our team will personally reach out to some of you for specific requests. Please help even if you cannot attend the event.

**3. EVENT SPONSORS & PARTNERS**

We will ask member firms to sponsor the event so we can produce the kind of event that our drivers deserve. See the included packet for sponsorship opportunities and the great exposure you'll get in return.

Your early participation is crucial to our success, and it will be the deciding factor in how we conduct our TDC. Please complete the registration form and return it by April 15<sup>th</sup>. Please contact me with any questions at [tfrazier@alabamatrucking.com](mailto:tfrazier@alabamatrucking.com) or 256-735-6675.

I hope to see you in Pelham!

# LADIES, START YOUR ENGINES!

The 2022 TDC Committee is proud to announce the continuation of a competition called the **LADIES SUV CHAMPIONSHIPS!** This challenge is open to the wives or significant other of the TDC competitors. The ladies will be required to drive an SUV through a course that is very similar to the one their husbands will be navigating. The rules and scoring are the same as the official TDC.

If there has ever been a “discussion” about who is the better driver, here is your chance to prove it! Simply fill out the form below and return it to the Alabama Trucking Association.

Trophies will be awarded to the top three finishers at the conclusion of the competition, and the trophies are very impressive. Don't miss out on this event, interest in 2007 was so high that it has become a permanent part of the competition.

If you have any questions, Tim Frazier at the association office will be happy to answer them for you.
