

Polygon Opening Doors to New Diamond Dealers

In these difficult and rapidly changing days, it is more important than ever to rely on the strength of our community and multiply channels of distribution.

Polygon is here to support you.

We understand that the flow of revenues and goods is becoming increasingly difficult and we'd like to help by providing easy access to a safe, neutral place to buy and sell goods.

This is why we're waiving any costs associated with the use of our platform for all NEW diamond wholesalers.

Any new user that signs up by April 15th will be able to use our platform for FREE until June 1st.

- No limits on listings
- Unlimited users per account
- Neutral platform
- Access to actual wholesale price reports
- Dealer-to-dealer & Dealer-to-retailer activity
- Rapnet inventory lists supported

Because we know the importance of giving your retail clients access to your lists, we are also waiving any costs for 60 days for your retail customers who are not already on Polygon. No charge, no commitment (must pass vetting).

As a part of the community, Polygon wants to help in any way we can to better face these challenging times.
