

***NEW Lunch Program!**

We are very excited to announce a new lunch program for Holy Family students! This program provides hot lunches delivered to the school already wrapped and labeled for each student. It also allows parents to order lunches up until 10:30 PM the night before and cancel up until 8:00 AM the morning of, in the case of a sick child or other last minute absence. Please see the links below for more information about the program and ordering instructions. The August menu will be available on the lunch website beginning July 15. A special thank you to Christian Ryan, the Parent Association Lunch Chair, for all of her hard work in making this opportunity possible.

Dear Parents,

Welcome to the Daily Spread School Lunch program for 2019-20. Our school lunch program is different than what can be found in most school cafeterias. As a prepared meals and catering business, your child is being provided with healthy meal options using only the freshest, minimally processed ingredients.

By providing freshly made and limited processed meal choices, we have the ability to customize meals for special dietary needs. Catering to varied palates, different meals are planned each day on a monthly rotating schedule. Bottled Water and desserts are available for purchase to complete each meal. In the event of taste differences or late ordering, a chicken wrap or salad is always available.

We will be utilizing the School Lunch Choice software program for lunch ordering and payments. Regular (\$4.25) and large (\$5.25) size lunch portions will be offered with bottled water and sweets available for additional purchase. If a Gluten Free meal option is available, it will be separately listed as "GF". If a "GF" dessert is available, the a la cart dessert listing will have a "GF" notation. Orders can be placed on a daily, weekly or monthly basis and are

accepted until 10:30pm the night before with cancellation available until 8:00am that morning. Parents have the ability to issue meal cancellations from the School Lunch Choice website by 8:00am that morning. Meal cancellations will be issued a credit on account visible to parents and automatically deducted from the next lunch purchase. If an emergency lunch purchase is needed, please feel free to contact me directly at (512)815-3540.

For a smooth transition, it is imperative that parent's register the family and each student individually prior to the beginning of school. Meals can be purchased once the registration process has been completed. Detailed user instructions including screen shots are included. For reporting purposes, lunches must be ordered for each student individually with the total for all lunches ordered showing in the shopping cart and billing page. The monthly lunch menu calendar will be provided to the school at the beginning of each month for distribution.

Our prepared dinner and catering services are always available. We offer freshly prepared meals, fully cooked ready for your oven or microwave with pick up or delivery available between 4 and 7pm. Additionally we have the ability to participate in spirit night dinner fundraising for your school group or club.

We look forward to working with you and providing nutritional lunches to your little darlings. As always, we have an open door policy and welcome feedback. Should you have any questions or concerns, please do not hesitate to contact us anytime.

Have a wonderful school year!

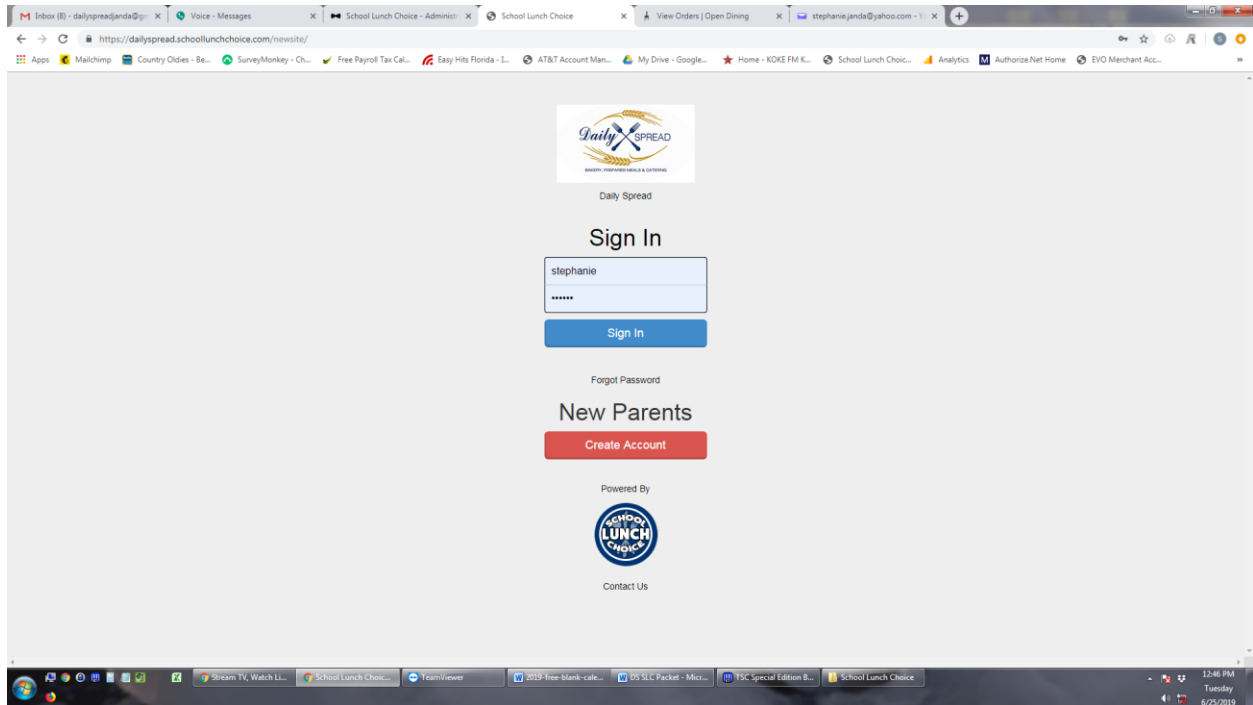

Thank you,

Stephanie Janda
