

2026-2027 School Supply Information

Our school will be managing school supplies the same way we did last year. Instead of us ordering the supplies in bulk and having them in the classroom on the first day of school, parents now have the option of purchasing the supplies through a vendor we have contracted with or on your own. The lists are attached for what is needed for each grade level. [Order School Supplies](#).

Questions and Answers:

Do I have to order my supplies from HFCS? No, you do not. You have the option to purchase through our vendor or on your own.

Are there any other items that my child needs to bring to school on the first day of class? Yes and No. Depending on the grade your child will be entering, there might be additional items that will be required such as a water bottle, rest mat for naps, and a Catholic Youth Bible for middle school students. Please see below if there are any additional required items.

Is this a fundraiser for the school? No. While many schools sell school supplies as a fundraiser, HFCS does not. We search for the best prices and pass those savings onto our families!

Are additional items such as agenda books included in the total order? No. The school will purchase the agenda books in bulk and distribute them to the classrooms. The fee for the agendas will be billed through FACTS.
