

You might be wondering why these areas? We believe that if we keep our focus on these, we will bear much fruit in our own life, church & community.

- Evangelism/Church Planting & Multiplication-because we are all commissioned to actively seek and save those who are not in a relationship with Jesus Christ. Our mission statement is based on *Luke 19:10*.
- Leadership Development-*Luke 2:52* states that Jesus grew in wisdom and stature and in favor with both God and man. Even Jesus, who was God in the flesh, grew. He learned and accelerated. When you as a leader grow, you are not only making a difference in your own life, but in the lives of people around you. Everyone wins when the leader gets better. The leader wins, the leader's team wins, the organization wins and the recipients of the organization's mission wins.
- Soul Care-is all about living from a place of overflow; learning to stop for conversation, the chance to read, to rest, to open up to God's presence, guidance, and--ultimately--love. Soul Care is all about bravely living into the destiny that God has for you. In His power, under His direction, and in His way. This will not happen unless your "inner person" (*2 Cor. 4:16*) is constantly renewed by accessing the riches of God and His kingdom.
- Diversity-God's word is very clear in telling us that we are created equal and every single person is a child of God, receiving the full inheritance of heaven through placing our faith in Jesus. We can look toward the Bible to learn how to love and serve everyone no matter what their age, color, or ethnicity, gender or nationality. *Revelation 7:9* *After this I looked, and behold, a great multitude that no one could number, from every nation, from all tribes and peoples and languages, standing before the throne and before the Lamb, clothed in white robes, with palm branches in their hand.*
