

Caring for Our Gifts: Toward a more comprehensive Theology of Stewardship

Sundays, 11:30 – 12:15 p.m. (following coffee hour)

Facilitator: Fr. Christopher McLaren

Location: Chapel

The spiritual practice of “Stewardship” is about more than money. Stewardship is about how we faithfully nurture and share ALL the gifts God gives us—including our bodies, minds, spirits, relationships, time, money, talents, and the earth. Join us for any session in this series of informal community conversations as we wrestle together with the challenges and blessings we face as we strive to grow as good stewards of the many gifts God has given us.
