**PLEASE READ and share  
with donors.**

**Our donation needs are  
ongoing as we continue to  
receive a busload (50+  
persons) each week.**

**Our guests (Asylum  
Seekers) are with us for  
only a few days. Consider  
them travelers passing  
through our fair city.**

**When they arrive via bus,  
exhausted, hungry,  
longing for a shower and a  
gentle bed to sleep in they  
are only 2 to 3 days away  
from their long journeys  
end. They do not stay in  
Albuquerque. We serve as  
a transition stop from ICE  
to their final destination.**

**We alert their sponsors  
and assist in securing their  
travel accommodations.  
The sponsors finance their  
travel.**

**Our volunteers and your  
generous donations of  
product and money  
provide our guests a  
landing point to clean up  
freshen up relax and  
regain their sense of self.**

**They indulge themselves  
in multiple showers and**

**enjoy the opportunity to  
repair their very damaged  
hair.**

**Our guests are quite  
conservative and dress in  
current simple styles.  
The women prefer a  
sports bra, a camisole,  
non- cotton standard cut  
underwear, Leggings with  
phone pockets, socks,  
tennis shoes and a  
zippered hoodie or a  
sweatshirt. That's it.  
The men are just as simple  
to please. T-shirts,  
hoodies and sweatpants  
with pockets.**

**We cannot use dress  
shoes, leather shoes, or  
heels for the women.  
Remember they are  
traveling with children,  
comfort is fun.**

**We encourage groups to  
buy in bulk or send money  
and we can purchase bulk.**
