

ROCK YOUR SOCKS FOR WORLD DOWN SYNDROME DAY

Show us how you rock your socks and enter to win a $75 gift card of your choice for your class!

In celebration of World Down Syndrome Day on March 21st, DSAT will be joining schools and organizations around the world to mark this special day.

On this day, people with Down syndrome and those who live and work with them throughout the world organize and participate in activities and events to raise public awareness and create a single global voice for advocating for the rights, inclusion and well-being of people with Down syndrome. The date is special because 3-21 represents Trisomy 21, the medical term for Down syndrome, which is the third replication of the 21st chromosome.
