

ROCK YOUR **Socks** FOR **World Down Syndrome Day!**

Join us March 21st!
Rock Your Socks with Up About Down to help Windsor-Essex See the Ability!

How are we Celebrating World Down syndrome Day?

To keep the event safe and virtual this year, we're giving everyone the opportunity to celebrate at home! Thanks to the generous support of Sweet Revenge Bakeshop, we will be rocking our cookie socks!

Through the month of March you can purchase ready-made sock cookies with everything you need to decorate them, or make your own kits with all of the decoration items you need too! \$10.00 from every kit will go to Up About Down.

Help us raise awareness and share the photos of your cookie socks and real socks. Tag us on Facebook or Instagram with the hashtags #WSD21 #UAD #YQGSeesTheAbility so we can celebrate with you too!

What is in the Cookie Kits?

If you buy ready-made cookies it will contain, 6 sock shaped sugar cookies, icings, sprinkles and some edible stickers to help you decorate.

If you buy make your own kits it will contain all of the ingredients you need to make 12-18 funfetti cookies, icings, sprinkles and some edible stickers to help you decorate.

For anyone with vegan or gluten free dietary restrictions, Sweet Revenge will have ready-made cupcakes for sale on their website. Proceeds from the sales will also go to Up About Down.

Every kit will also contain a World Down syndrome day fact sheet to share some more information about this important day!
