

For Immediate Release

March 3, 2021

Windsor Essex Community Health Centre
Centre de santé communautaire de Windsor Essex

Do you have Questions about the Covid Vaccine? We Want To Hear From YOU! **Free Educational Sessions Are Being Offered**

Windsor - weCHC is hosting two educational sessions in partnership with Windsor-Essex County Health Unit to discuss any concerns you may have.

In lieu of any sort of in person town hall meeting, weCHC is hosting these sessions virtually via Zoom. All are welcome to join in on the date that works best for them. Registration is required

Thursday, March 11th @ 6PM: <https://www.eventbrite.com/.../vaccine-hesitancy-session...>

Friday, March 26th @ 9AM: <https://www.eventbrite.com/.../vaccine-hesitancy-session...>

"These forums are open to anyone who may want to learn more or may have questions about the vaccine," explains Rita Taillefer, weCHC Executive Director. "We certainly don't have the answer for every question out there, but the panel we have put together will be able to address a large number of common concerns."

Individuals are being asked to submit questions in advance to communications@wechc.org.

For interview opportunities or to learn more phone Shelby Colarossi, Public Relations & Development Coordinator at 226.347.7191
