

Veteran's Aid and Attendance

If you and/or spouse were serving in the military during the following war time periods and have care needs, you, (including surviving spouses) may be eligible to receive helpful financial benefits under the Veteran's Aid and Assistance Pension. You can use the monthly funds to help finance the cost of care services at home or at an assisted living facility.

World War II – Dec 7, 1941 - December 31, 1946;

Korea – June 27, 1950 - January 31, 1955;

Vietnam – February 28, 1961 – May 7, 1975;

(for a Veteran who has served in the Republic of Vietnam during that period)

Gulf War – August 2, 1990 – To be determined

The experts at SRC can help you determine if you qualify for these VA benefits.
