SCHOOL DISTRICT 2

August 8, 2025

Dear Bensenville School District 2 Families and Community Members,

Beginning August 15, Bensenville School District 2 will no longer use Facebook as an official communication platform. Facebook's recent policy changes mean the company can no longer guarantee the privacy and safety our school community requires. We are therefore moving to rely solely on more secure, controlled channels where we can better protect families, students and staff.

All future district and school information will be shared **on our official website**, www.bsd2.org, and school webpages, which are the district's most secure and reliable communication centers. For regular updates, please **sign up for our e-newsletter**, delivered to your email twice a month. To stay connected with our school community, please also follow our District account on Instagram (@bensenvilleschooldistrict2) and X/Twitter (@BensenvilleD2 and @KMcCluskey4), where we'll continue to share photo galleries and reminders for meetings, events, and program registration.

Here is where you'll now find official District & School communications:

Platform	What It's Used For
bsd2.org & school sites	All official district and school announcements
E-newsletter	Updates/reminders sent to your email inbox
X (Twitter)	BSD2 feed & updates from Superintendent McCluskey
Instagram	School-life photos, reminders, community activities

To continue receiving communications:

- **Sign up for our e-newsletter**
- **Download and bookmark our website** on your phone or home screen.

We appreciate your flexibility as we make this transition. Our decision is guided by our commitment to accuracy, privacy, and clear two-way communication with families.

If you have questions or need assistance in setting up newsletter access or social media connections, please reach out to our Community Relations Coordinator, Tania Gomez, at **630-766-5940, ext. 1122**, or email tgomez@bsd2.org.

Thank you for your support. Together, we'll stay informed, safe, and connected!
