How to View Student Progress Reports and Report Cards (Web Browser Only)

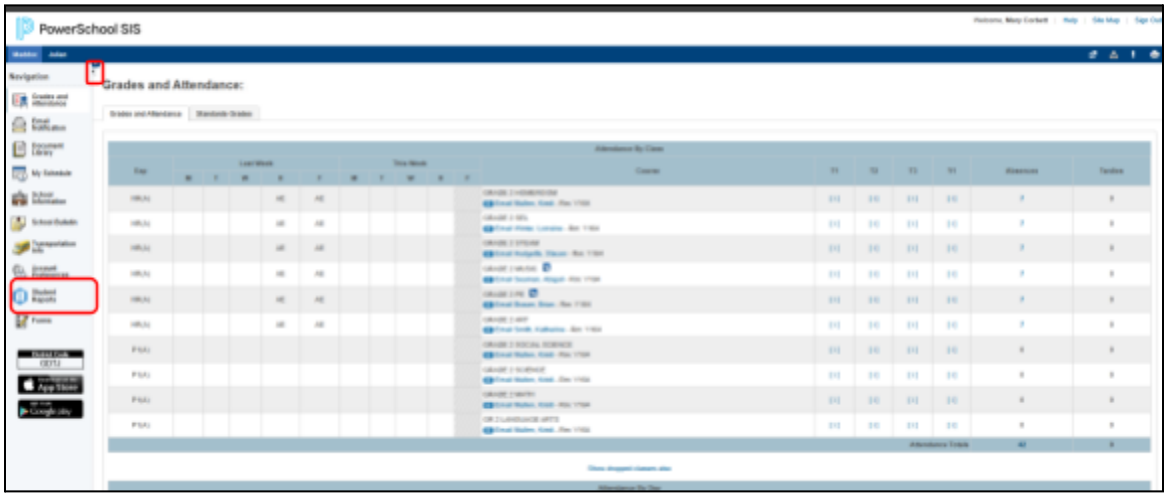
Please Note: Progress reports and report cards are only viewable on the web version of Powerschool. They are not available in the mobile app. To access progress reports and report cards on a phone, please open a web browser (i.e. Chrome, Safari, etc.).

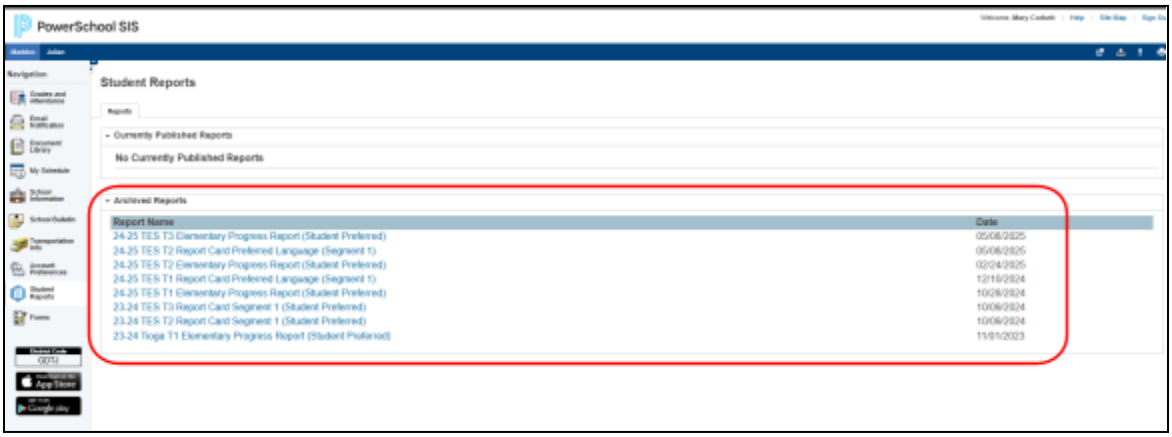
***Progress reports are released at the midterm of each trimester for grades K-5.**
****Report cards are released at the end of each trimester for grades K-8.**

1. Go to bsd2.powerschool.com/public

2. Login with your username and password. *Need help with this step? Click here.*

3. Go to '**Student Reports**' in the navigation list on the left. *If accessing on a phone, you may need to click the grey arrow at the top to show the navigation list.*





4. A list of reports will appear, the newest reports will be at the top. Reports are labeled with the school year and the type of the report. Click the title of the report to open and view the report. *Reports will be viewable on the 'report release' days listed on the calendar.
