

# Help Support San Mateo County Bar Association

The Lawyer Referral Service (LRS) Program is a non-profit service of the San Mateo County Bar Association that assists members of the public with finding a qualified lawyer. Thanks to this essential program, clients receive the opportunity to consult with a lawyer and potentially find legal assistance/representation. We are fundraising to help cover the administrative fee for our low-income population that was severely affected by the ongoing pandemic.

For more information, please visit <https://www.smcba.org/for-the-public/find-a-lawyer/>.
