The SBMC Youth Achiever Program's purpose is to honor and recognize children who are striving to do their best to accomplish good deeds in their daily lives for themselves and others. We accomplish this by specifically honoring public elementary school children who are involved with the Safety Patrol at their Southside school. The funds raised are used for the children's annual trips to Washington D.C. and money is also placed in our long term charities accounts to provide college scholarships for those very same children. For more information visit [sbmcccharity.org](http://sbmcccharity.org)
