

We would like to thank you in advance for your serious consideration, and ask that you help us as much as you can in this worthy endeavor. Richmond American Homes, HomeAid Northern California are remodeling a shelter for families experiencing domestic violence in Fairfield. We are partnering with Safequest Solano, who will provide the housing, services and counseling for the families. Started in 1976, SafeQuest Solano, formerly known as Solano Women's Crisis Center, is a dual Domestic Violence & Sexual Assault Agency that serves all of Solano County (Benicia, Dixon, Fairfield, Rio Vista, Suisun, Vacaville, & Vallejo). They provide advocacy services, safety, and support to all those who are affected by domestic violence and sexual assault. This home will add 12 beds for families who need shelter.

SafeQuest Solano, Inc. is a nonprofit organization dedicated to providing prevention education, community training, advocacy and intervention services to those affected by domestic violence, sex trafficking, and/or sexual assault (regardless of gender identity or sexual orientation). With an emphasis on client-centered and trauma-informed care, SafeQuest Solano works with diverse partners to promote individual, family and community transformation.

The goal of this work is to create a dignified and welcoming home for the families experiencing trauma so they can have a place to catch their breath and get back on their feet. The remodel includes cosmetic improvements to the interior including flooring, painting and new appliances and work to the exterior including painting and roofing and dry rot repairs.

HomeAid and Richmond American Homes are proud to support Safequest and we look forward to the completion and opening of the Fairfield house this October. We are counting on your help and ask that you support this project with donated materials and/or labor, which will enable Safequest to concentrate their limited resources on supporting the families they serve. We can get you immediate access to the home since it is not occupied yet and we invite you to get involved with the construction of this very worthy project. Your involvement in this Safequest Family Shelter is truly appreciated and your company will be recognized for your contributions. Thank you in advance for your support.
