

It is hard to believe it has been 20 years, but we celebrated HomeAid's 20th Anniversary on March 29th with "An Evening of Believing" as we thanked the thousands of HomeAid supporters who have stepped up to help us complete 45 shelter projects to house over 9,000 homeless in the Bay Area.

An "Evening of Believing" comes from our values of...

- ♥ Believing we should support those less fortunate...
- ♥ Believing that when we all work together, we can make a difference...
- ♥ And believing that everyone deserves to sleep with a roof over their head.

The HomeAid 20th Anniversary Event was a celebration of all of our work together. We struggled with how to thank our thousands of supporters with 45 projects with a 2 hour event! So, we showcased a few of the HomeAid projects with an 8 minute video and a walk down memory lane. We also asked everyone in the room to stand if they were involved with HomeAid as a Board member, or volunteer, or donor, or trade partner, or Builder Captain and we had the whole room standing by the end of the questions!

Colleen Edwards did an inspirational tribute to one of our founding members, Dick Baker, of Ponderosa Homes, who passed away 2 years ago. We also produced a timeline banner 27 feet long showing the 20 years of projects and support. The evening of celebration ended with a video produced that evening - of people commenting on why they believe in HomeAid!
