

HomeAid essentials

Every May, the Professional Women in Building of the Building Industry Association of the Bay Area partners with HomeAid Northern California to collect baby essentials for homeless infants & toddlers.

The Essentials for Young Lives Drive was a huge success this year with donations of **9,000 diapers, 10,000 baby wipes, 20 cases of baby formula and at least \$2,000 worth of other toys, strollers and baby clothes!**

The service provider recipient was Shepherd's Gate whose mission is to help women & children escape cycles of addiction, homelessness and abuse.

It was a great event for a great cause! Thank you to all of our major donors including SDG Architects, Lennar Homes and Shea Homes!
