## Attention Parents!!

### Introducing a new **Musical Theater After School Program**

Beginning Monday, February 3<sup>rd</sup>!!!

Students will learn the basics of musical theater. They will learn how to sing, dance, act, properly audition, stage scenes, and create choreography! At the end of the session (school year) the actors will perform what they have rehearsed for you!!

Jo Nash, director/instructor, has been in show business her whole life. At the age of 11 Jo began her journey professionally, performing in musicals for Civil Light Opera's and Dinner Theaters in Southern California which is where she grew up and received all her training. Jo performed over three dozen musicals with a highlight of 42<sup>nd</sup> Street with San Bernardino CLO then went on to tour nationally with a troupe from New York.

Her professional journeys went abroad throughout Europe and Asia. Jo also produced many shows on her own in Japan. One of Jo's favorite things is to bring to life the love of theater and share it with kids to enhance their lives as it enhances hers. Today, Jo has her own theater company in Benicia, she's an instructor for College for Kids at DVC and each summer she teaches Kids on Broadway at the Pleasant Hill campus. She can't wait to bring the stage to our school!

Classes will begin on Monday, February 3<sup>rd</sup> at 3pm and end at 4:30pm. Classes will run through the end of May and the performance date and time to be determined.

We will observe the same holidays as St. David School and some will fall on Monday's. Please check your school calendar for those dates.
