My child/ward suffers from no physical conditions that might result in emergency care, e.g., diabetes, asthma, hypertension, epilepsy, etc., except for any conditions or allergies listed here: _____

I further acknowledge that I am in the best position to determine the physical ability of my child/ward to participate in the sports outlined above, and acknowledge that my child/ward is in good physical and mental health, and is not suffering from any condition, disease, or disablement which would or could potentially adversely affect participation in the sport.
