

# Members Make the Difference

A Message from Will J. Carter '57  
Membership Committee Chair

The current pandemic has brought death and illness around the world in numbers unforeseen as you know. Unfortunately, Fisk has been effected by the serious disruption of normal campus activities. Hopefully the publication of "Bulldog Bites" brings to you knowledge of Fisk related activities which bridge the gap between the campus and activities elsewhere related to Fisk. In due time, we anticipate the resumption of normal campus activity, but unfortunately there is no way to know when that may come to be, of course.

In the meantime, please maintain your financial support of Fisk, the recruitment of students, and membership in our national alumni association, G.A.A.F.U., Inc., where the annual membership is \$50 yearly, or lifetime which is currently \$750. Click on "Become A Member" at the top right of the newsletter OR [click here](#) to learn more.

In our inaugural issue (September 2020) we asked you to participate in our poll and let us know how often you would like to receive "Bulldog Bites". Overwhelmingly you indicated that you want it quarterly. With that said, we will publish the 2021 issues in March, June, September and December. Our first two issues in 2020 were published in September and December.

Fisk Forever!
