

CDFA SWEEP INFORMATIONAL WORKSHOP

The Sonoma RCD and Sonoma County Farm Bureau are hosting a **FREE** online informational workshop on the State Water Efficiency & Enhancement Program (SWEEP).

SWEEP provides financial assistance to farmers & ranchers who implement practices to improve water use efficiency and reduce greenhouse gas emissions. Maximum award is \$200,000.
Applications are accepted on a rolling basis.

Learn more about the program and view application requirements at
<https://cdfa.ca.gov/oefi/sweep>

Funded by California Department of Water Resources. Water Quality, Supply, and Infrastructure Improvement Act of 2014 (CWC S79707(g))

Join on Zoom, November 18th from 10:00-11:30 a.m.
