Join Us for a Field Trip to Muster Field Farm Museum

Gather a group of fellow AIL members and meet us at Muster Field Farm Museum, a local gem in North Sutton, NH. A 90-minute guided visit will include a tour of the homestead, the working farm, and an opportunity to participate in a few lifestyle activities. You will learn about the current daily operations at the farm, as well as what life was like in the 18th century.

Following the tour, you are invited to bring a lunch to enjoy in the Pillsbury Barn, and/or explore the farm trails.

Wednesday, August 19, 10:00 a.m.

No Cost to AIL Members
Pre-Registration Required
