OCTOBER 3

ENJOY THE MUSIC OF ACRONYM

Baroque band ACRONYM is dedicated to giving modern premieres of the wild instrumental music of the seventeenth century. Playing with "...consummate style, grace, and unity of spirit" (*The New York Times*), the group formed in 2012 and has released ten critically acclaimed albums. Recent projects include the first modern performances and recordings of works by Biber, Rosenmüller, and Capricornus, among others. The band's most recent album, *Cantica Obsoleta*, features the modern premiere recordings of nearly-lost works from Sweden's Düben Collection. The *Boston Globe* raves, "this musical time-capsule offers enough resplendence to transport anyone."
