Please welcome the Budd Gallery Cars to N Scale! Over 350 these classic commuter cars would grace the rails for the CB&Q, later Burlington Northern and finally Metra. We will be focusing on the BN and Metra eras, spanning the late 1980s to the current day. In fact, these cars still ply the rails every day, taking thousands of commuters to and from the Windy City.

Check out the Masterclass on our website for more Budd Gallery Car history!
