THE *Super* CONTINENTAL LINE™

MUSEUM-QUALITY PASSENGER CARS FROM RAPIDO TRAINS INC. • VOITURES-VOYAGEUR DE QUALITÉ PAR RAPIDO TRAINS INC.

RAPIDO IS TURNING 20!

To celebrate this milestone anniversary, we are delighted to announce a new run of the first ready-to-run models we ever made, the HO scale Super Continental Line passenger cars. When first released, these cars broke the mold for HO scale passenger car detail. We believe the level of detail we announced two decades ago has not been bettered since, except by us! Rapido is still the global leader in HO scale passenger car detail.

This new run of cars features many improvements:

- Track-powered interior lighting with capacitor controlled by our (often imitated, never duplicated) Rapido Lighter
- Improved design and assembly to prevent warping
- Tighter connections between the body and the roof
- Lightweight Coaches and Duplex Sleepers feature new Trane air conditioner details
- New couplers designed for more reliable operation when pulled or pushed
- Redesigned, free-rolling trucks
- All of this is in addition to the incredible underbody detail, multi-color interior, skirts or stairs (as appropriate) and extremely fine painting and decoration, down to the end door car names and numbers!

This run of the Super Continental Line comprises three car styles:

- Lightweight Coach
- 8-4-4 Duplex Sleeper (4-8-4 in Canada)
- 10-5 Sleeper

The Super Continental Line passenger cars provide a first class experience for your HO scale passengers. They will be treated in comfort, elegance and style just as they deserve to be. Reserve your coaches and sleepers by the order deadline and ensure your passengers don't miss the train.

MSRP \$119.95 US
\$139.95 CAN
