COVID-19 Safety Information

While participating in events held or sponsored by the Texas Association Family, Career and Community Leaders of America (Texas FCCLA) “social distancing” must be practiced and face coverings worn at all times (exceptions listed above) to reduce the risks of exposure to COVID-19. Because COVID-19 is extremely contagious and is spread mainly from person-to-person contact, Texas FCCLA has put in place preventative measures to reduce the spread of COVID-19. However, Texas FCCLA cannot guarantee that its participants, volunteers, partners, or others in attendance will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, individuals who fall within either of the categories below should not engage in Texas FCCLA events and/or other face to face activities. By attending a Texas FCCLA event, you certify that you do not fall into either of the following categories:

1. Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough, and shortness of breath among others;
2. Individuals who believe that they may have been exposed (close contact) to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

Duty to Self-Monitor

Participants, attendees and volunteers agree to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath) and, contact Texas FCCLA at fccla@texasfccla.org if he/she experiences symptoms of COVID-19 during the activity or within 14 days after participating or volunteering with Texas FCCLA.
