

SUMMER MISSION TRIP

Concord United

Serving Others, Building Community

Travel to Plymouth, North Carolina, to repair homes for families in this poverty stricken community. Home repairs may include roofing, siding, sheetrock, ramps and painting. We do not know our specific jobs, but we hope to help where the need is greatest.

Working together we can accomplish great things. The fees include all meals, building supplies and attractions. Cost \$100 per person or family max of \$300. A little spending money will be needed for travel snacks and souvenirs. Transportation will be provided or your family may travel on your own and meet the group in Plymouth.
