**ILLINOIS LEARNING  
TECHNOLOGY  
PURCHASE PROGRAM**

There's a reason more and more schools are switching to Anywhere Cart for their Chromebook, laptop, and tablet charging needs. Their innovative, secure charging carts, cabinets, and stations create an unmatched level of convenience for educators. Plus, you get the peace of mind knowing that your purchase is guaranteed to last. That's why Connection® Public Sector Solutions is pleased to offer special pricing on solutions from Anywhere Cart to ILTPP members.

**AC-MINI 12-Bay Cabinet** can charge and store up to 12 Chromebooks, tablets, and laptops up to 15". Adjustable device divider bays allow fitment of any width device ranging from 9" to 17".

#31773532

**AC-MINI16 16-Bay Cabinet** has the same features as the AC-MINI 12, but can fit up to 16 Chromebooks, tablets, and laptops up to 15".
