I don't agree with the big way of doing things -

love starts with an individual.

I never look at the masses as my responsibility.

I look at the individual.

I can only love one person at a time.

I can feed only one person at a time.

I know that my work is only a drop in the ocean,

but if I didn't put that drop in,

the ocean would be one drop less.

- Mother Theresa
